MAGAZINE

## Yareah Magazine.

Literature and Arts.

In 2009, Yareah magazine started its way to discover what is Art and what is the deep meaning of Literature. A marvelous way, full of great collaborators, people who love to magnify men and women by reminding them that they are not only a body of basic functions but a brain with thoughts, feelings and hopes. In 2012, we continue with our objectives, every day with a new smile.

RIAD WOW NEW CONCEPT: ARTS  
GALLERY HOTEL

Luxury hotels. Opening of the Riad WOW, Gallery Hotel, on Saturday, 19 April 2014. The history of the Riad WOW, the Art Gallery created by Carole and Alain, is an invitation to travel and discovery.

In France, in an endless search of self-realization and innovation, they decided to create their own discretely enlightened furniture in order to organize their home interior in a very personal way. They revisited the traditional Moroccan material in a very contemporary style. The result was amazing and the pieces of furniture seduced their friends.

What only started as a shared leisure activity became in 2012 a crafts workshop, giving life to those unique pieces, a subtle mix of oriental and modern art, exhibited today, from the patio to the rooms, in their Gallery Hotel in Marrakech. The Riad offers the possibility of privatizing that idyllic cultural space with several
